

LIN/GE DE MAISON

CURIOUS

Jacky Huard, founder of LISSOY, imagined an ingenious system for combining interchangeable fabric panels that clips together to create a duvet cover. The innovative idea gave birth to the LISSOY patent Easyclip® duvet system and inspired a unique and stylish home textile collection of 100% linen in unexpected colors and weaves.

FORWARD THINKING

The curtains designed by LISSOY offers a new style achieved through the fastening system snaps around the rod. This new chic and practical innovation enhances any décor.

Over the years, the collection has grown to more than 30 colors and woven 100% linen fabrics for the bed, table and bath and decor.

REFLEXIVE

LISSOY items carry the European Flax Quality label. The trademark is uniquely available for those fabrics that are woven exclusively with EU origin natural vegetal fibers. By choosing Lissoy products, you choose the finest linen in the world that is environmentally friendly and offers rich natural properties and comfort.

SPECIFIC

The bath collection represents the brand's desire of weaving innovative colors and enhancing the flax properties of absorption of moisture and freshness feeling in their use. Two styles of towels are offered in a wide selection of LISSOY signature colors.

QUALITY

LISSOY'S products are exclusively manufactured in Europe by our long lasting partners.

As a result of these strong relations we have developed new products as our latest "Lin Ancien Collection" that represents a real value on the weaving of the fabric, a value that speaks for itself and what LISSOY stands for.
